

## **Argentina date confirmation and cancellation policy**

Our lodges have become very popular in the last few years and we have now added a date booking confirmation and cancellation policy to avoid any confusion and to make the booking process very clear.

Once dates have been booked by the hunting client we will send a confirmation email or fax stating the dates that have been agreed on by the hunting client and Sporting Adventures International (SAI). We will keep a copy of this email or fax that has been confirmed by the hunting client and SAI in the hunting client's file.

The dates may not be changed or cancelled inside of 120 days of departure unless SAI or the hunting client is able to find a replacement group for the booked dates. SAI will do our best to find a replacement group but it is not a guarantee that we will be able to find a group. **Any trips cancelled inside of 120 days will be non-refundable or transferable. We strongly recommend taking out the necessary trip cancellation insurance for your hunt.**

Any change in dates must be in writing by letter, email, or fax at least 120 days before departure and confirmed by SAI and the hunting client.

Thank you very much for your understanding and we look forward to hunting with you.
