

## **TIPPING GUIDE**

**Posta del Norte or LaAguada or El Palomar or El Pilar**(The dove shooting Estancias):

For your bird boy we recommend \$140-150 total for the 3 day hunt.

\$100 per hunter for the house staff given to lodge host.

\$100 per hunter for the field staff.

We also normally give our guides in Buenos Aires \$100 from the entire group for their help in BA. They are well worth this.

**Tipping is at your discretion and this is only a guide for your convenience.**

## **Gun Rental**

Gun Rental is also available for \$70 per day per gun. We offer 20 gauge Benelli and Beretta Shotguns at the dove estancias and 12 gauges at the duck estancias. Please let us know in advance if you would like to rent a gun.
